## No-cost Pre-development

Make a phone or Zoom appointment to ask about Anhart's no-cost pre-development services for non-profits and municipalities.

Time to change  
how we think about  
affordable housing.

## WHO WE SERVE

We work with with municipalities, non-profits, and Indigenous partners committed to building affordable homes that strengthen the social, cultural, and economic fabric of their communities.

### MUNICIPALITIES

Helping cities and towns deliver housing that fits local strategies.

### NON-PROFITS

Supporting housing providers with development expertise and financing

### INDIGENOUS

Partnering with Nations to build housing that respects culture and

## HOW WE CREATE

Each project is designed to match community needs and site realities.

# 1.

### MODULAR

Local manufacturing for faster, cost-efficient homes.

# 2.

### CONVENTIONAL

Traditional methods for larger or custom projects.

# 3.

### RETRO-FIT

Transforming older buildings into safe, modern homes.

## WHAT WE DELIVER

We provide a range of affordable housing solutions across Canada — from new modular builds to conventional construction, and creative retro-fits — designed to deliver affordability and community impact.

- Apartments designed for long-term affordability
- Micro-suites that maximize space and independence
- Retro-fits that extend the life of existing buildings
- Small homes and villages that strengthen communities

*Non-profit housing development from coast to coast to coast.*
